Innovative Cooling Solutions

12th March, 2021

To whomsoever it may concern

We are very much glad to share that the INSULATED SANDWITCH PANELS AND DOORS received from M/s Think-Lean Prefab Systems Pvt Ltd. Aurangabad are of good quality. They delivered similar quality in the products supplied at our various site and found consistent in delivering the quality as well as timelines for installations.

The installations of ROOMS & DOORS done by Think-Lean's team are of good quality & aesthetics. Think-Lean's team has followed all the standard safety norms while working on site. Further we observed Ethical behavior of entire team focusing to meet the needs & wants of customer. Their coordination while handling the project was excellent.
